To Whom It May Concern,

It is with great pleasure and strong conviction that I write this letter of recommendation for Missy Ohe. I have worked with Missy in a variety of capacities and have had a terrific experience without exception. Regardless of venue, I and others have left each encounter feeling inspired and uplifted.

As the director of the Grand Forks Public Library, I brought Missy in to present at our annual All-Staff Training Day last year. Missy spoke about "Connecting Beyond the Connections," inspiring my staff to get to know and understand each other beyond a superficial level.

In addition, I have participated in three of Missy's Mastermind groups focusing on books written by John Maxwell. Missy artfully leads these discussions, supporting each participant in thinking through and talking about the concepts of leadership, growth and networking. We have lively discussions and leave each session feeling heard and energized.

I highly recommend Missy for your project and am confident that you will be more than satisfied with her services. Please feel free to contact me at 701-772-8116 or at Wendy.Wendt@GFLibrary.com if you have any questions or if I can be of further assistance.

Sincerely,

A handwritten signature in cursive script that reads "Wendy Wendt".

Wendy Wendt, Director
